Federal Ministry of Defence confirms 2026 capital allocation for DIT facilities

₦4.2 billion in capital allocation supports the second phase of laboratory construction.

BY DIT COMMUNICATIONS OFFICE · 02 MARCH 2026 · KADUNA

The Federal Ministry of Defence has confirmed ₦4.2 billion in 2026 capital allocation for DIT facilities — funding the second phase of the institute's laboratory and workshop construction programme.

The allocation includes the Mechatronics Engineering laboratory complex (foundation stone laid in May), the Foundry Technology finishing bay extension, and an extended PCB lab for Computer Engineering.
